

DE-COMP COMPOSITES, INC.

D241

FABRIC CUTTER

D241 is a revolutionary new cutter for cloth, film, bleeder and peel ply. This cutter cuts cleanly into graphite and fiberglass without first having to place masking tape on the material.

D241 comes with a razor sharp, replaceable, tungsten steel cutting wheel, which is available in a 1-1/16" or 1-3/4" diameter. The cutter has a blade guard that remains in place until pressure is applied. The cutting wheel tension is adjustable for cutting thin or thick material.

Part Number: D241l 1-3/4" diameter

Part Number: D241s 1-1/16" diameter
